

#### Railing-R9

Post- HUP 40x40x4 mm  
Frame- Cold bent steel sheet 3 mm  
Filling- Woven net 40x40x3 mm

#### Railing-R9T

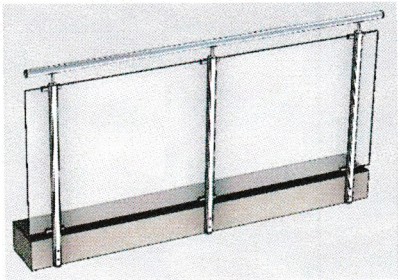

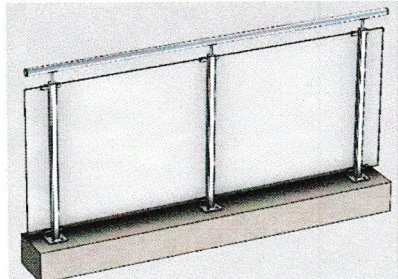

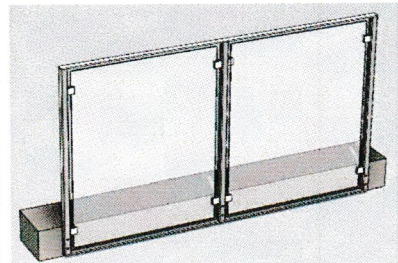

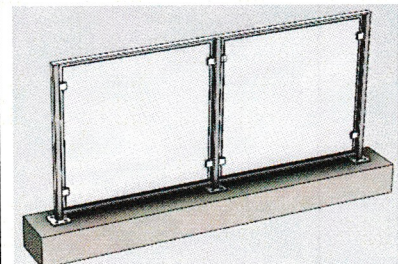

Post- HUP 40x40x4 mm  
Mounting plate- steel sheet 8 mm  
Frame- Cold bent steel sheet 3 mm  
Filling- Woven net 40x40x3 mm

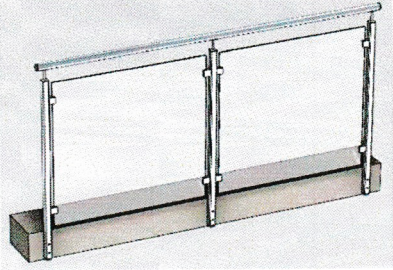

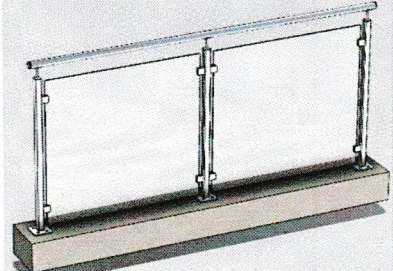

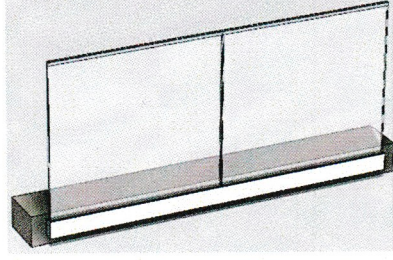

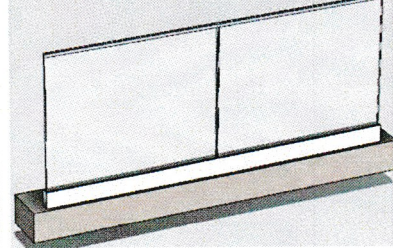

#### Railing-R10

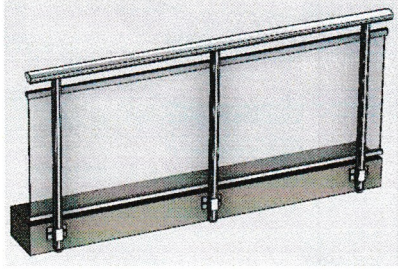

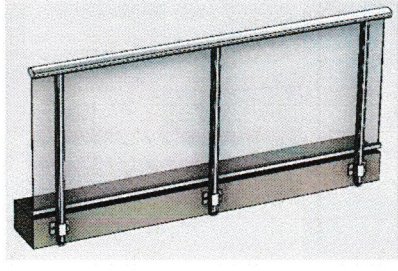

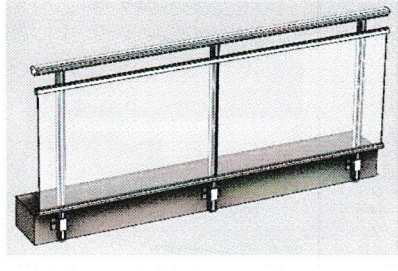

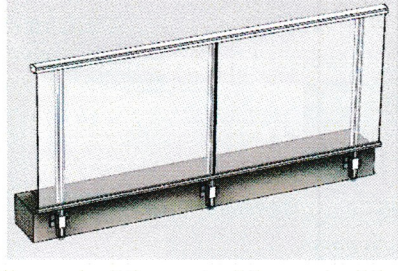

Post- HUP 40x40x3 mm  
Frame- Cold bent steel sheet 3 mm  
Filling- Woven net 40x40x4 mm

## Glass railings

|                                                                                     |                                                                                                                                                                                                                                                        |
